**FOR IMMEDIATE RELEASE:**

**Urban Edge Properties Acquiring \$325 Million, Seven Asset Portfolio**

**New York, NY, April 10, 2017** - Urban Edge Properties (NYSE:UE) has entered into a contract to acquire seven retail assets comprising 1.5 million square feet of gross leasable area, predominately in the New York City metropolitan area, for \$325 million. The portfolio has been privately owned for the past four decades and is currently 83% leased.

The contributors are exchanging their property interests for approximately \$127 million of UE operating partnership units valued at \$27.02 per unit. UE will also assume \$33 million of existing debt, issue approximately \$117 million of non-recourse, secured debt and fund the remaining \$48 million in cash. The transaction is expected to close during the second quarter of 2017.

Importantly, the assets include the remaining fee and leasehold interests in Yonkers Gateway Center that were not acquired in the transaction that closed on January 4, 2017. The 35-acre property is the largest and most productive center on Central Avenue, a primary retail corridor in Westchester County. UE's total basis in the property is approximately \$153 million including the earlier transaction. The shopping center has significant opportunities to create value from redeveloping, expanding and increasing occupancy.

The portfolio includes:

<b>Total</b>		<b>1,518,319</b>	<b>83%</b>	

Jeff Olson, Chairman and CEO of Urban Edge, stated, "Since the beginning of the year and including this transaction, we have announced or closed on ten acquisitions for \$455 million including Hudson Mall in Jersey City, NJ, The Shops at Bruckner Plaza in the Bronx and Yonkers Gateway Center. These properties align with our strategy of owning and improving large, well-located properties in the New York City metropolitan area and investing at a meaningful spread to our cost of capital."

Mr. Olson added, "In aggregate, these ten acquisitions are expected to generate a 5.7% initial cash unleveraged yield and net operating income should grow by more than 5% per year over the next five years prior to any impact from expansions or redevelopments."

The contributors were represented by Newmark Grubb Knight Frank.
